Subject: conference call

Rafael,

I have spoken with Mr. Bergner and it's our preference that we have a conference call on the 16th of March. The closing for the sale of the refinery is on the 15th that's why we prefer the 16th.

Hopefully by that time we will have submitted an updated QMP, QAPP and FSP. During the call we can discuss the upcoming schedule, community meeting and any additional issues.
